“How far you go in life depends on your being tender with the young, compassionate with the aged, sympathetic with the striving and tolerant of the weak and strong. Because someday in life you will have been all of these.”

~ George Washington Carver

RSVP Membership Cover Letter

RSVP offers maximum flexibility and choice to its volunteers as we match personal interests and skills of older Americans with opportunities to serve their communities in the areas of healthy futures, education, environment, economic opportunity, disaster services, and more.

RSVP volunteers choose how and where they want to serve—from a few hours to more than 40 hours a week. RSVP volunteers provide support to veterans and their families, help seniors live independently in their homes, mentor at-risk youth, provide critical support to communities recovering from disasters, and much more. *While Serving, RSVP volunteers also improve their own lives, by staying active and civically engaged.*
